

If All Arkansas Read The Same Book

Governor Sidney S. McMath's memoir *Promises Kept* is the focus of a series of author events and book discussions sponsored by the University of Arkansas Press and the Arkansas Center for the Book at the Arkansas State Library, joined by a host of Arkansas's museums, institutions, schools, and bookstores.

As David Pryor states in the foreword to this memoir, *Promises Kept* is Governor McMath's reflection—"a story told in his words of a unique life's journey from the piney hills of South Arkansas to the epic battles he fought during World War II, coupled with the many other human encounters of the courtroom and marbled corridors of the State Capitol."

Meet Sid McMath at one of the many opportunities scheduled throughout Arkansas from October 3rd through December 20th.
