

# FEDERAL FUNDING AND SAM.GOV

To receive federal funding after April 4, 2022, all libraries must have a new Unique Entity Identifier (UEI) through SAM.gov. This UEI is replacing DUNS Numbers.

## WHAT DOES THIS MEAN FOR MY LIBRARY?

For a library to be eligible to apply for and receive federal funds after April 4, 2022, your library (including local government units acting as a fiscal agent) will need to obtain a UEI. If your library's county/municipality holds the DUNS number for your library, please contact your county/municipality to ensure they've completed the DUNS to UEI transition.

## HOW TO REGISTER

Before you register, check with your county/municipal government to find out if they are registered. If they are your fiscal agent, you will use their UEI. If not, you will need to register at SAM.gov.

There two ways to register -

Full registration will allow the library to apply directly for a federal award. Select Register Entity.

Unique Entity ID only will allow the library to receive sub-awards only and not apply directly for federal awards. Youtube link below.

## WHAT DO I DO ONCE I HAVE MY UEI?

Once you have obtained your UEI, we request that you send this to Debbie Hall at the Arkansas State Library - [debbie.hall@ade.arkansas.gov](mailto:debbie.hall@ade.arkansas.gov)
